

OFFICE OF THE CHIEF OF POLICE

On behalf of all the members of the Waterloo Regional Police Service, I would like to extend a warm welcome and offer our best wishes to all residents and visitors celebrating Black History Month in Waterloo Region.

During this celebratory month, we join citizens in recognizing the many valuable achievements of local and national Black communities, and acknowledge the outstanding contributions toward building strong, safe, and secure neighbourhoods. This special time creates a tremendous opportunity for all members of the community to appreciate and learn more about the experiences of Black Canadians and their vital role in our history.

Together we will continue to work to build a stronger community through the richness that cultural diversity brings to us all. We have already established valuable partnerships with such organizations as the Caribbean Canadian Association of Waterloo Region, the Congress of Black Women of Canada, the African-Canadian Association of Waterloo Region, the African Women's Alliance of Waterloo Region and the South Sudan-Canadian Association of Waterloo-Wellington. We will continue to work with, and are proud to serve, the diverse neighbourhoods in our community to enhance the quality of life for everyone in our Region.

As a police service, we value ethnic and cultural diversity in our community as well as within our organization. As we move forward to build a more vision inspired, values driven police service, we look to ensure that our police service is representative of the community we serve. In this we ask for your assistance. We encourage those of you, the many qualified women and men of our Black community, who are interested in pursuing a challenging and rewarding career in policing or volunteering with the Waterloo Regional Police Service, to contact our Human Resources Branch at (519) 650-8506 or visit us at www.wrps.on.ca.

Together we can ensure that our children enjoy a safe, secure and diverse Waterloo Region.

Yours truly,

Matthew A. Torigian
Chief of Police
